COMES NOW, BRENT RICHARD SMITH, by and through the undersigned attorney, and requests the Court to consider the following additional authorities in connection with his appeal:

State v. Lawson, slip opinion 33401-1 (10/10/06)
(finding a potential danger to the community falls short of finding that a police officer entertained a specific belief that someone inside a building needed help, a necessary step authorizing and validating the emergency exception to the search warrant requirement).

Respectfully submitted,
